Kamp Kairos xt offers dynamic worship services, engaging group recreational activities, and opportunities for fellowship, all designed with a singular purpose: to ensure that every participant hears and has the opportunity to respond to the Gospel. By the conclusion of the camp, attendees will return home united by a shared passion for Jesus and a collective commitment to share His message.

Pray if this youth camp is for you! Youth Camp is about JESUS! There will be free time, but this will be supervised, not just going off on your own. Please know that we love you – we want you present and learning more about Jesus: BUT If being supervised, having respect for everyone and not getting in the way of what God has for each of us is not what you can commit to, CAMP is not for you.
